

# Belchertown Post Cards

## Share Belchertown's History with Family and Friends

Note cards are now available at the Stone House for your personal correspondence. The design above is of the town common circa 1839. Each set of 6 blank note cards contains one black and white woodcut design of a historical view of Belchertown past.

All proceeds will go towards the ongoing expenses of supporting the Museum. If you are unable to visit the Stone House to purchase a packet of note cards, note cards can be mailed to you for \$3 per 6 cards plus mailing costs.
