Colonial Belchertown

Welcome from the President

Greetings, and welcome to the 2025 season of the Belchertown Historical Association!

Ever proud of the rôle our Association has played in preserving our town's history, we are excited to announce this season's events and to share our enthusiasm for the history of our beloved town. The annual activities and events described in this booklet make a yearly rhythm to which we live our lives as a historically conscious community. We invite you to join us on our annual journey, and we hope your time with us is filled with joy, pleasure, excitement, and inspires reflection on the importance a historical perspective has in our modern world.

As you peruse this program, we hope you will not only be impressed by the diligence with which we care for the historical treasures that have been entrusted to us, but will also realize the extent of the resources we need to respond to the many new opportunities and challenges we continually encounter. From the exciting work of adding artifacts to our collection, renovating the museum, designing new exhibits, and making history “come alive,” to the unsung but vital functions of weeding, cleaning and fundraising, our tasks are many and never-ending. Above and beyond our usual undertakings, the restoration of the Washington District Schoolhouse continues to present many new and difficult—albeit exciting—challenges. We welcome all willing volunteers, and humbly invite you to support our efforts by joining the membership of our Association. A membership form can be found on page 37 of this booklet.

Our important work would be impossible to accomplish without the contributions of our generous benefactors, and on behalf of our Association I take this opportunity to personally thank those who have supported our efforts with donations to this, our sixth, program booklet. I am humbled and gratified by the abundant outpouring of beneficence from our local business community. I ask that when you patronize our local sponsors (and you should!) that you thank them for their support of our Association and our program booklet.

We hope that you enjoy your visit to the Stone House Museum, and that you will become a regular visitor at our many events. It is our sincere wish that the memories you create while visiting us will forever make us part of your history, and make you part of ours!

Tom Stockton

President, The Belchertown Historical Association

**Say “Hello!” to our Sponsors.
And tell them you saw their ads here. THANK YOU!**

The Belchertown Historical Association

The Belchertown Historical Association was informally organized in the 1890s to preserve and study the history of the town. The association was formally established in 1903 and used the town library to house artifacts and books. The acquisition of the Stone House enabled the association to open in 1922 as a museum to house all its own artifacts. The museum is supported by membership dues, admission fees, investment income, and fundraising activities. The historical association and museum are governed by a Board of Trustees elected by the membership.

The Board of Trustees

The current Board of Trustees is as follows:

President: Thomas Stockton

**Vice Presidents: Denise Smith and
Erica Morrison-Brazitis**

Secretary: Sally Shattuck

Treasurer: Maureen Austin

At Large Members:

**Mary Ann Brennan, Susan Cameron,
Tish Poulter and Tony Trifone**

Annual Association Meeting—April 27

The 2024 “Call to the Meeting” of the Belchertown Historical Association will be held virtually on April 27, 2025 at 4pm.

The 28th day of April, 1740 was the date of the first legal meeting ever held in Cold Spring, the settlement which later became the Town of Belchertown.

At this meeting, the President of the Association shares some of the successful projects the Board of Trustees has worked on during the past year, acknowledges volunteers for their hard work, and presents goals for the year ahead. Members of the Association elect trustees and officers of the Board, vote on any changes to the by-laws, and discuss any other business matters of concern put forth on the agenda.

Opening Day at the Museum—May 10

The Stone House Museum is scheduled to open for the 2025 season on Saturday, May 10th. This annual event showcases the museum and special exhibits and reveals the history and creativity of Belchertown, past and present.

Activities from 9am to 2pm offer shopping opportunities, including a plant sale with both annuals and perennials, a tag sale, and our legendary Old Bag Sale. Tours of the Stone House Museum (free to all), the Memorial Garden, and the Demonstration Garden are also provided throughout the family-friendly day.

Museum Hours:

May-October Saturdays 2-5

Admission is FREE for members (Form on page 37)

Non-members: \$5 adults, \$4 seniors, \$2 children.

The museum is also open for special tours and group tours by appointment all year.

Detailed information about the special events noted in this program will be published in the local newspaper—the Belchertown Sentinel, and on the museum's website www.stonehousemuseum.org and Facebook page @TheBelchertownStoneHouseMuseum well in advance.

The Stone House Museum

The museum, located at 20 Maple Street near the center of town, is owned and operated by the Belchertown Historical Association. The Federal style home was built in 1827 by **Jonathan Dwight** as a wedding present for his daughter, Julia Diantha. The house remained in the Dwight family throughout the 19th century. By the early 20th century, there weren't any more Dwights in Belchertown to live in the house. One of the relatives contacted the Belchertown Historical Association to see whether it might be interested in acquiring the house and property to maintain as an historical museum. Fortunately, BHA gave her an enthusiastic yes. She then donated the money to them to purchase the house.

Taking care of the house has been the primary condition of that gift. As such, recently the dining room and best parlor have been repapered with historically correct paper. The downstairs hall and the upstairs hall have been repainted.

On the upper floor is our special exhibit of the Revolutionary War as we commemorate the 250th anniversary starting with the battles of Lexington and Concord on April 19, 2025

The Stone House property includes three buildings which were not here during the Dwight's time: the Ford Annex, the Sentinel building and the Washington District School.

Proud to support the
Stone House Museum

NOONAN
ENERGY

The Washington District School

Washington District School, the last intact one-room school-house in Belchertown, was acquired in 2016 by the Belchertown Historical Association through a donation from Andrey Korchevsky of Bell Properties. We believe it well worth our efforts to preserve this building; it will be a vital link in telling our story. We continue to need **help with fundraising**, as none of us is an expert in this. We are so grateful for the more than 100 people who have contributed to this project, but we still estimate that the whole project will cost about \$150,000 more than we have raised.

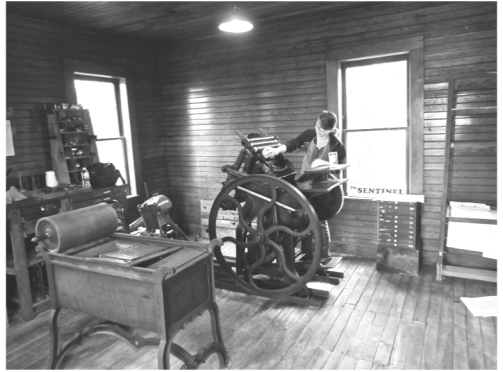

Work on the inside has started and the list of “to do’s” is very long (and costly), but it includes: modern connections for Wi-Fi, installing heat and air conditioning, overhead lights, etc., insulating the building, refinishing the floors, building a staircase to the basement, enclosing the utility section of the room, setting up the coat area of the room; adding drywall and paint. With your help, this is becoming a reality!

The Sentinel Building

The Blackmer Building is where the Belchertown Sentinel newspaper was printed by Lewis Blackmer starting in 1915. In May 1968, the building and printing press were purchased at auction by **Peter Dearness** who then donated them to the historical society.

Mr. Blackmer's printing press has been refurbished several times. When possible, demonstrations of the press happen on Opening Day and Living History Day. There is also a proof press, which provides the last chance to proof read before printing, as well as ephemera related to the Sentinel and other artifacts.

The Ford Annex

Belchertown carriages were prized for their fine craftsmanship both in this country and abroad. After visiting the Stone House to view its carriages, **Henry Ford** donated the funds to build this structure in memory of his associate, **Gaston Plantiff**, who was a Belchertown native. Ford was concerned that our world-renowned carriages were sitting

on the lawns exposed to the weather. In addition to the carriages made in Belchertown, the museum collection includes an 1869 Concord Stagecoach—which is similar to those that once passed through town on the way to Boston. Also on display is a hearse, sleighs and a wide selection of period machines, farm implements, spinning wheels, looms, a cobbler's bench and equipment, ice cutters, stoves, and even a bathtub.

The Museum Gardens

The Remembrance Garden was created in 2001 by volunteer **Becki Smith** to honor her parents, Mr. & Mrs. William Smith, and their love of nature. It has grown and expanded over the years to honor the memories of many special people. The garden can be found between the Sentinel Building and the Ford Annex, and is beautiful to behold, home to lovely perennials and spring bulbs, with a background of rhododendrons. Benches were added so people could just sit and relax amidst the beautiful flowers and comforting shade.

***We honor those who have gone before us.
Our past is following in their footsteps.
Our future is continuing their important work.***

The Stone House Demonstration Kitchen Garden serves to show our members and visitors the normal crops and herbs that would be found in a nineteenth century family garden.

Special thanks to **Peg and Lew Louraine** for the work they have done to bring historic gardening methods to life. Research is done constantly to be sure the seeds or plants that are nourished in the plots are appropriate for a progressive gardener of the time.

Some of the plants have been donated by Belchertown residents whose families have cherished them for generations!

Volunteers are in the garden regularly, and visitors are welcome to drop by, and may be invited to cut a few herbs to carry home with them and enjoy. Help is always welcome. The single shortcoming of the garden is that there is no “family” as such in residence to water or weed or shoo off the rabbits!

Doris Dickinson Archives

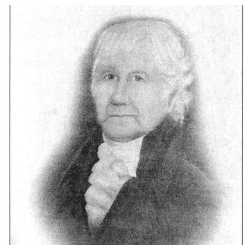

The Belchertown Historical Association has an archive in the Stone House Museum with over two hundred boxes of historical documents and records that provide a chronological history of Belchertown from its beginning in the early 1700s up to the present day. The acquisition of these materials began on the day the Association was formed in 1903.

Included in the archives are: almanacs, diaries, and autograph books; public records from businesses, community organizations, and churches; military records from the Civil War, World War I, and World War II; historical records from Town government, the Belchertown Fair & Cattle Show, and the Clapp Memorial Library; news clippings, speeches and pamphlets, post cards and greeting cards, photo albums and scrapbooks, maps, hotel registers, and more. Contact our archivist **Cliff McCarthy** to get information about specific items or to donate to our collection. Email info@stonehousemuseum.org.

Genealogical Database

Genealogical records of Belchertown families are used extensively by those tracing their family trees. Our database includes records on more than 17,000 people who have lived in Belchertown and their ancestors. In addition to the database, the archive holds letters, diaries, photos, manuscripts, newspapers, scrapbooks, published books, and other materials. Over the years, we have collected vital and unique information regarding Belchertown and the families that have made this place their home. Contact our archivist **Cliff McCarthy** to get ancestry information. Email info@stonehousemuseum.org.

Updates in the Museum

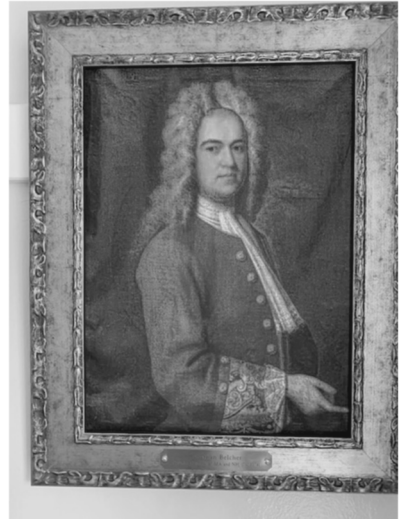

Exciting news from our Museum is the framing of our mid-19th century Map of Hampshire County, which is now on display in the entrance hall of the museum. The Map has hung for years in the hall with only flexible covering, but has a detail of the center of Belchertown and several towns which are now under the Quabbin. It is great that it

can now be touched and closely examined safely.

We continue to try to build our collection with important artifacts that will help us tell the story of Belchertown's past.

Already having in the exhibit room is this copy of one of the very few portraits ever painted of **Governor Jonathan Belcher**. It was donated to the museum.

The exhibit room on the upper floor during the 2024 season featured Belchertown Crossroads: travel by carriages, stagecoaches, trains, trolleys and inter-city taxis and buses, 1800 - WWI.

Our 2025 special exhibit will feature events leading up to the 250th anniversary of the War of Independence - the United States semi-quincentennial. The room will showcase Belchertown in the Colonial / pre-Revolutionary War period and then it will evolve into Belchertown during the Revolutionary War. This will be a multi-year exhibit.

Contact info@stonehousemuseum.org for volunteer opportunities at the museum

Memorial Day

The Belchertown Historical Association takes part each year in the Memorial Day commemoration at the Quabbin Park Cemetery for the lost towns of Greenwich, Prescott, Dana, and Enfield.

Living History Day—June 14

The board of trustees is very excited to announce our Living History Day activities for the whole family being held on Saturday, June 14. Reenactors will be outside the museum showcasing life during the Revolutionary War with exhibits of sewing, cooking, cheese making, dying, tin smithing, school lessons, and other crafts. The museum will be open for tours.

At 2:00 the reenactors and visitors will move to the front of Lawrence Memorial Hall where they will greet the Marquis de Lafayette as he enters Belchertown in a horse drawn carriage as part of the region's celebration of the 250th anniversary of the War of Independence. You can learn about Lafayette by visiting the town hall in advance and reading the historical panels on exhibit there.

Marquis de Lafayette

Dwight Day—June 21

Before named for Governor Belcher, in 1761, our town had different villages, each with their own name. The area closest to Amherst was called Dwight. The Dwight family was integral in the founding of our town. The village hosted 2 train stations, 2 schools, a post office, 3 cemeteries, small industries and much more.

Come and learn more about the area of Belchertown once known as Dwight. Last year's event was so popular we have brought it back and added new lectures, displays and music. This event is held on the grounds of Dwight Chapel. Watch for upcoming announcements in the local papers. Details about Dwight Day will be published in the [Belchertown Sentinel](#) and on the museum's website stonehousemuseum.org and Facebook pages.

Belchertown Fair—September 19-21

Each year, the Association takes part in this special town event on the Belchertown common. We present a display of photos from the archives from fairs gone by and hold a traditional “straws” game. We are available to share information about the town, answer questions from visitors to the fair, and sell gift items. We are hoping to be represented in the Parade this year by our wonderful stage-coach.

Halloween ‘n History—October 26

Historic Belchertown figures from the distant past will come alive on the last Sunday in October, from 5-7pm, weather permitting. Group tours will be given of historic Mount Hope Cemetery for some fun-filled, hands-on history learning assisted by our live reenactors, portraying figures from Belchertown’s past—but don’t rule out other ghostly apparitions throughout the cemetery! Children must be accompanied by a parent or guardian.

Yuletide at the Museum—November 1

The Stone House Museum becomes a winter wonderland of holiday beauty on the first Saturday in November. The doors are open to welcome visitors to experience Christmas in a 19th century home and to do their holiday shopping.

The house is adorned with greens, berries, and pinecones, and is filled with the aromas of cookies, pies, and hot apple cider. An array of crafts, old bags, baked goods, gift baskets and raffle items are donated by members of the Historical Association.

Murder Mystery Dinner—February 2026

One of the first events of the calendar year is our annual Murder Mystery Dinner.

“A good time is had by all” as we lift our spirits for an evening of fun. We collaborate with actors from the Belchertown Congregational Church (BUCC) to provide a

dinner theatre event of good food and good entertainment, and the evening serves as an important mid-winter fundraiser for both organizations.

Details about the 2026 Murder Mystery Dinner will be published in the [Belchertown Sentinel](#) and on the museum's website www.stonehousemuseum.org and Facebook page

**Giving back
moves our
community
forward.**

bankESB is proud to support the **Belchertown Historical Association**. We know that supporting the programs, events, and causes that bring people together is how we help move our communities forward and unlock their full potential.

It's why we've given back more than \$4 million over the last decade as part of our community giving program, The Giving Tree.

Membership Form

Belchertown Historical Association

The BHA, a nonprofit organization, exists primarily on income from membership, event admissions, contributions and bequests. Members enjoy unlimited visits to the museum, subscription to our newsletter, discounted admission to special events, and deep satisfaction in knowing they are preserving the past for generations to come.
